Aircraft Towbars

AD3045

Features:

- Model: AD3045
- Aircraft Towbar For: 787
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish

AD2970

Features:

- Model: AD2970
- Aircraft Towbar For: A380 (700, 800, 800F, 800R & 900 series)
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish

Global Tech

AD2929

Features:

- Model: AD2929
- Aircraft Towbar For: CRJ 100/200/440/700/705/900, Challenger 850/870/890 series and
- Raytheon Hawker 4000
- Fully retractable hydraulic undercarriage
- Durable powder coat finish

AD2716

Features:

- Model: AD2716
- Aircraft Towbar For: 737 (600–900 series)
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish
- Optional ratchet type head available

Global Tech

AD1988

Features:

- Model: AD1988
- Aircraft Towbar For: 757
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts includede
- Durable powder coat finish

AD2842

Features:

- Model: AD2842
- Aircraft Towbar For: B777
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts includede
- Durable powder coat finish

Global Tech
www.globaltech.net.tr

AD2828

Features:

- Model: AD2828
- Aircraft Towbar For: MD80, MD88, MD90, DC9
- Main frame constructed of structural tubing
- 4" cushioned swivel lunette towing eye
- Fully retractable hydraulic undercarriage
- Towbar is shear bolt designed to protect aircraft nose gear

AD2741

Features:

- Model: AD2741
- Aircraft Towbar For: A340 (500, 600 series)
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish

Global Tech

AD2916

Features:

- Model: AD2916
- Aircraft Towbar For: 737 (100–900 series)
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish

AD2663

Features:

- Model: AD2663
- Aircraft Towbar For: 737 (100–500 series)
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish
- Optional ratchet type head available

Global Tech
www.globaltech.net.tr

AD2532

Features:

- Model: AD2532
- Aircraft Towbar For: F100
- Fully retractable hydraulic undercarriage
- Durable powder coat finish
- Extra set of shear bolts included

AD2515

Features:

- Model: AD2515
- Aircraft Towbar For: 727, 737, 757, A320, A300
- Quick change head
- Fully retractable hydraulic undercarriage
- Durable powder coat finish

Global Tech
www.globaltech.net.tr

AD2511

Features:

- Model: AD2511
- Aircraft Towbar For: B717, MD80, MD88, MD90, DC9
- Main frame constructed of structural tube
- 4" swivel lunette towing eye
- Durable powder coat finish
- Towbar is shear bolt designed to protect aircraft nose gear

AD2397

Features:

- Model: AD2397
 - Aircraft Towbar For: DC10, B 787, B767, B777**, L1011, A340 (200, 300 series), A330, MD11
 - Fully retractable hydraulic undercarriage
 - Extra set of shear bolts included
 - Durable powder coat finish
- ** For use as dedicated B 777 towbar a shear pin, part #1504, is offered

Global Tech

AD2342

Features:

- Model: AD2342
- Aircraft Towbar For: 747 (all series of aircraft)
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish

AD2284

Features:

- Model: AD2284
- Aircraft Towbar For: A318, A319, A320, A321
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish

Global Tech
www.globaltech.net.tr

AD757

Features:

- Model: AD757
- Aircraft Towbar For: 757
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Durable powder coat finish
- Extra set of shear bolts included
- Durable powder coat finish

AD794

Features:

- Model: AD794
- Aircraft Towbar For: 737, 727, 757, A300/A310, A320
- Overall length is 15ft
- Optional Tube lengths
- Towbar made of high strength aluminum tube
- Durable powder coat finish

Global Tech

Aircraft Towbar 727

Features:

- Model: AD146
- Aircraft Towbar For: 727
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Optional 727/707 swivel head available
- Optional pin type head available
- Fully retractable hydraulic undercarriage
- Extra set of shear bolts included
- Optional 727/707 swivel head available
- Optional pin type head available.
